Media Table

Dear Pastor,

In addition to pulpit preaching, God has enabled me to extend my ministry through my media ministry. I consider this a vital part of my overall contribution to the Lord's work.

With your permission, I would like to make CDs and DVDs available to your people during my time there. Since some have abused this privilege in the past, please let me assure you that it is very low key and I never mention them except for a brief word at the end of the service.

If offering media for sale is offensive to you or if your church has a policy against it, I will certainly understand, but I do request that you let me know in advance so I will not transport them.

If offering these items is acceptable to you, here are some things that will help:

1. **Please provide a large table where the media may be displayed in the place of your choice, hopefully where the people enter and exit.**

2. **While I will be at the table to meet people, it would help greatly if some responsible person could assist me before and after the service.**

3. **Please stress that all checks for CDs/DVDs are to be made payable to *Fossett Evangelistic Ministries* rather than the church.**

I thank you in advance for your kindness in this matter.

Sincerely His,

Brian Fossett
