Instructions for Hot-Dog Supper

Sunday night we are having a special service for all children grades 1-6. Be sure to stress that younger children are not included. While younger children want to come, they are not quite as ready to listen as the older children.

Here are some suggestions that will really help if you will follow them in your planning.

1. Be sure the letters are MAILED on Monday of the week prior to the meeting. This will give the boys and girls ample time to invite all their friends at school as well as those in the community.

2. An individual letter should be mailed to each boy and girl in this age group who is enrolled in Sunday School as well as those who are prospects. PLEASE MAIL THE LETTERS! If you hand them out in Sunday School you will miss over half those you are trying to reach, plus the children like to get the letters.

3. Make arrangements for the preparation of the hot dogs, etc. well in advance. Plan for enough. It is better to have extra than not enough. Be sure there are plenty of people to serve the children.

4. Please reserve a section near the front for the children to sit with their parents and workers. Ask the parents in advance to sit with the group so they will be prepared to do so.

5. Please give children, parents, and guest a special invitation and instructions for using the reserved seating for the service during the supper. The revival service should last only about an hour.

   I am excited about joining with you for this special emphasis. Thank you for your help with such an important service. Please begin to pray that those children who are ready will be saved this night and those who are already saved will be challenged and encouraged.

   Sincerely His,

   Brian Fossett
